Greetings Colleagues,

I am honored to have been asked to serve as the EPA Acting Administrator as we await the confirmation of North Carolina Department of Environmental Quality Secretary Michael Regan as EPA's 16th Administrator.

I know that I can rely on all of you to help me in ensuring that the Agency will continue to perform the high level of work that the American public expects. For in my view, you represent the best and brightest in public service. We all have an important responsibility to support the new Biden-Harris leadership team - please join me in welcoming them to EPA as we work together to achieve EPA's mission of protecting public health and the environment.

I want to assure you that we are all committed to keeping you informed about Agency developments through this transition. My sincere thanks for your continued support and dedication.

Most important, please take care of yourselves and stay safe.

Jane Nishida
Acting Administrator
